Legacy

The Legacy Collection merges vintage charm with modern design through customizable, hand-tufted rugs made from wool, silk, and vegetal silk. Inspired by neoclassical aesthetics, these rugs feature damask patterns, ornate motifs, and refined details.

*Each rug is tailored to the **client's preferences**, from initial sketches to final designs, ensuring a timeless and **personalized style**. The color palette ranges from muted neutrals to vibrant jewel tones, making the rugs suitable for diverse interiors.*

*Crafted by skilled artisans, the rugs combine beauty and durability, with textures and details enhancing their visual and tactile appeal. Their versatility allows them to fit seamlessly into both modern and traditional spaces. Architects and designers collaborate to align the rugs with broader interior concepts, achieving a **perfect balance** of artistry and functionality.*

Essence

*The Essence Collection redefines modern design with bold patterns, clean lines, and abstract forms in hand-tufted rugs made from premium materials like vegetal silk, bamboo silk, wool, and viscose. Fully customizable, clients can adjust colors, patterns, and materials to **suit their spaces**, with a collaborative design process ensuring precision and personal alignment.*

The collection's designs range from minimalist geometry to dynamic abstract art, making them versatile for living rooms, offices, or bedrooms. The color palette spans monochromatic shades, earthy tones, and vibrant hues, offering options for seamless decor integration or bold statement pieces.

*Skilled artisans use meticulous hand-tufting techniques to craft rugs that are visually striking, durable, and luxurious to the touch. **Perfect for modern interiors** such as open-plan spaces, urban lofts, or contemporary mansions, these rugs double as functional decor and modern art, reflecting a commitment to **tailored elegance** and sophisticated design.*
