FLORENCE

FLORENCE di Sarelli Interiors Textiles è una collezione di tessuti classici italiani di lusso, ispirata alla ricchezza culturale e artistica del Rinascimento toscano e agli interni dei palazzi eleganti fiorentini. Le superfici tessili reinterpretano con eleganza i motivi damascati e i decori rigati, richiamando affreschi storici e architetture proporzionate, ma con una leggerezza contemporanea.

La palette cromatica spazia dai toni terracotta e ocra ai blu lapislazzuli e neutri calcarei, creando un'atmosfera colta e armonica. Perfetta per imbottiti di pregio, tendaggi damascati, rivestimenti rigati decorativi e complementi d'arredo sartoriali, FLORENCE unisce memoria e innovazione, rendendosi ideale per residenze storiche reinterpretate e progetti contract di alta gamma.

FLORENCE by Sarelli Interiors Textiles is a collection of luxury Italian classical fabrics, inspired by the cultural richness of the Tuscan Renaissance and the noble interiors of Florentine palaces. Its textiles elegantly reimagine damask patterns and striped decorative motifs, evoking historic frescoes and architectural balance, while adding a touch of modern lightness.

The color palette ranges from terracotta and ochre to lapis blues and limestone neutrals, creating a refined and harmonious atmosphere. Ideal for prestigious upholstery, damask drapery, striped decorative wall coverings, and luxury interior accents, FLORENCE bridges heritage and innovation, perfectly suited for historic residences reinterpreted and exclusive contract projects.
